Terms & Conditions - Dental Fitness: You must be dentally fit before starting any cosmetic treatment. If restorative treatment is needed beforehand, these costs are not covered under the package and may delay the start of cosmetic procedures. Packages: The package price can be tailored to meet the patient's specific needs, particularly when composite bonding and alignment are included. The cost of these treatments varies depending on the individual patient and their suitability for the procedures. However, examination new patient and hygienist visit is mandatory before any package can be confirmed.
